

Secular

Party of Australia

In *GRIFFITH* Vote **1** **REID**

The **Secular Party of Australia** stands for rationality and policies based on reason and evidence, not on religious ideology or superstition.

WE STAND FOR:

- Proper funding and support of public schools, not government funding of faith-based schools
- A revised definition of charity, to ensure that only genuine charitable activities enjoy tax-exempt status
- Ensuring that immigrants have attitudes compatible with Australian values, such as gender equality and respect for human rights
